TERMS AND CONDITIONS OF SALE

ALL PRICES ARE F.O.B. KOSTER NURSERY,
BRIDGETON, N. J.

This list cancels all previous quotations and prices are subject to change without notice.

We give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock we sell and *we will not be in any way responsible for the crop*. If purchaser does not accept goods on these conditions, they are to be returned at once.

We assume no liability for delay or failure in filling orders, due to weather, strikes, accidents, crop failures or other causes beyond our control.

To any firms of established credit, our terms are 2% 10 days, 30 days net, from date of shipment. 6% *service charge on overdue accounts*. To firms who cannot or will not establish satisfactory references, cash is expected with order. Orders for C.O.D. shipments must be accompanied by 25% of the purchase price.

To limit disposition of our material to nurseries and plant markets, orders must be written on printed stationery or a business card must be enclosed.

All shipments travel at the risk and cost of the purchaser. Transportation charges payable on receipt of goods.

All quotations are subject to prior sales and confirmation, in accordance with our usual terms and conditions.

Not less than 5 of a variety and size can be supplied at the 25 rate, and not less than 25 at the 100 rate.

All nursery stock has been field treated with residual insecticide and is certified to meet Federal Japanese Beetle Quarantine #48.

ALL SHIPMENTS ARE ACCOMPANIED BY A
NEW JERSEY CERTIFICATE OF HEALTH.

ALL CLAIMS MUST BE MADE WITHIN
10 DAYS AFTER RECEIPT OF GOODS.

TO THE TRADE AND OUR PATRONS:

We would like to express our appreciation to all of our customers for their cooperation during the past spring shipping season when our schedules were so unavoidably upset by the severe weather conditions of the winter months.

For the coming year, however, our stock is in excellent condition. In fact, we have never seen it look better.

We are now growing Taxus of unsurpassed quality, in considerably larger volume than ever before. With new grading and price catagories in effect on this item, you will find a most profitable combination.

Our production of Azaleas, Rhododendrons and Pieris Japonica has also increased substantially, and since they are all bed grown and winter protected, the quality is outstanding.

We are expanding our operation here at Koster in many ways and would like to have you visit us at an early date.
